

**CHRIST OUR SAVIOR LUTHERAN
HIGH SCHOOL
EVANSVILLE, ILLINOIS**

Good News for Parents: The Board of Directors of Christ Our Savior Lutheran High School made several decisions at its April meeting that impact parents in a positive way. These decisions are recruitment efforts, but they also bring direct benefit to you, the parent. 1. The Board voted to lock in tuition. By registering **BEFORE MAY 31**, you will lock in tuition for your child for the remainder of time he/she is at Christ Our Savior Lutheran High School at the current 2007 – 2008 rate. If you do not register your child by May 31, your rate will be locked in at next year's tuition rates which are ten percent higher than this year. The benefits are obvious. **PLEASE NOTE THE DATE. AFTER MAY 31 YOU WILL LOSE THE BENEFIT OF THIS YEAR'S PRICES.** So have your child come in and pick up a registration packet now. 2. The Board voted a \$500 tuition credit for any tuition-paying family you bring into the school. That family must remain through January and then your family will be given a \$500 tuition credit that can be used for the spring semester or the following year. Be sure to communicate with the school if you are encouraging a family to attend so that proper credit can be given. Another option could be to encourage the family you bring to mention your involvement when they register. This is a tremendous benefit because there is no limit to the number of families you can bring. This gives parents the opportunity to have a free education if they wish to use it. 3. The Board of Directors understands God is blessing COSLHS and it looks as if we are going to have enough money to build our classroom building. So the Board voted to **PASS ON THE BLESSINGS** by offering a limited number of **FULL TUITION SCHOLARSHIPS**. These would be for new families who have not previously attended Christ Our Savior Lutheran High School. A newly formed Recruitment Committee of the Board of Directors is working out the details, but a service component will be required for parents. It also appears that there will be a limited time during May that these will be available, so please feel free to call the high school for more information.

No one really knows if this will work, but the Board has decided to try it for one year. It will then be evaluated and decisions about the future will be made on the realities of this trial period. Regardless of the future, this is our year to share God's blessings. So for everyone reading this, please help us get the word out. Christ Our Savior Lutheran High School is a great school and having lots of students adds excitement because of the new classroom building, new friends, and new opportunities.

Want to Make a Difference: Can you put yourself in the position of a mother whose husband died and left her with three small children? Social Security provided dollars for those children, but they are now old enough that those dollars are ending. While thanking God for His provision, dollars do not help one parent meet the daily needs of running children here and there, participating in their events, and trying to hold down a job. God has to fill in the holes. He does that for many single parents today. And that is exactly what He did for one senior's family. This young lady is graduating from Christ Our Savior Lutheran High School who wants to go into the teaching ministry. God has also given her a heart for missions. While in high school, she went on a mission trip to Poland, even though she did not know a single person going on the trip. She also went on the Guatemala trip that was offered to students of COSLHS. Now her goal is to attend Concordia College in St. Paul, Minnesota. She has received some financial aid from the school, but she has no idea how she can pay for the rest of her education. Today it is often impossible to even borrow all the dollars needed for an education. But she is trusting that God is going to provide. If you would like to be part of that provision, please call 853-7300.

Congratulations, Class of 2008: Benjamin Athmer, Monika Auzbikaviciute, Alice Cheng, Nicole Decker, Brendan Diercks, Samantha Draves, Christine Kaaz, Joshua Karnuth, Orin Koester, Chelsea McIntyre, Elizabeth Mehring, Ryan Morrison, Jenna Otten, Jack Pham and MiYoun Shin
